Dear Felicia Bellows:

The requested information is necessary to: (1) more fully understand the access routes; (2) assess whether the Public Access Roads are legally permitted and safe; (3) assess whether proposed routes will be constructed and used in compliance with all laws, ordinances, regulations and standards; (4) assess whether the routes will result in significant environmental consequences; and (5) assess potential mitigation measures.

This request is also being made pursuant to Title 20, section 1716(b) of the California Code of Regulations.
